# Met Gala 2019 Red Carpet: See All the Celebrity Dresses, Outfits, and Looks Here

 203 SLIDES

On May 6, celebrities and designers flocked to the Metropolitan Museum of Art for its annual Met Gala, celebrating the Costume Institute's newest exhibition, "[Camp: Notes on Fashion](#)." In order to capture that utterly eccentric aesthetic sensibility (described so persuasively in Susan Sontag's 1964 essay "Notes on 'Camp'"), celebrities drew on fashions both silly and sublime. The 2019 Met Gala was definitely not lacking spectacular red carpet moments. From [Lady Gaga](#) to Katy Perry, Kendall Jenner to [Gigi Hadid](#), guests transformed the party's venerable venue into a feather- and flounce-filled fantasia—each doing their best to step up to the grand occasion. In addition to our list of the evening's best-dressed stars, here you'll see every suit, cape, and gown that graced the Met's dramatic front steps. Click through the gallery for every 2019 Met Gala look, and visit *Vogue* online for more stories from fashion's biggest night.
